

Ultra 7.0 Washdown Pump System

JABSCO DELIVERS UNRIVALED POWER IN A 7.0 GPM ULTRA WASHDOWN PUMP!

Step up to extreme cleaning with this seven gallon per minute, high pressure washdown system.

The powerful spray makes cleaning your boat or dock faster and easier than ever. And its robust design will provide many years of reliable service. With complete instructions and an included main breaker, this washdown system can be installed on almost any size boat.

For many years, Jabsco PAR MAX washdown pumps have been the preferred system for cleaning marine vessels, making it an industry standard. That's because all Jabsco products are specifically designed to fit the expressed needs of boat builders and enthusiasts alike.
