## BOOM MOUNTS

The perfect way to hold your camera and capture the action when you're hauling in a record-breaking marlin or about to take line honours. At over 600mm (24in) long and fully adjustable with 4 moving joints, the CameraBoom 600 is so flexible it has been asked "how did they ever shoot that angle?".

The PlatformBoom 150, will allow the mounting of heavier items – up to 2.5kg (5.5lb) – including sounders and GPS displays, but still give the flexibility of 4 moving joints.

## ADJUSTABLE PLATFORM

Allows the attachment of any platform-type product to a StarPort, eg: Fillet Tables, barbecues, tables, Solar Panels etc. Adjustable angles forward and back 90°. Supplied in singles. Platform size 100 x 64mm (4 x 2.5in).

**02-4021-11** Black

**02-4025-11** Black

## ROTATING PLATFORM

A platform for mounting sounders or chartplotters, where a fixed plane surface is required, but rotation is needed. Platform size 102 x 102mm (4 x 4in).

## THREE-AXIS PLATFORM

The Three Axis Platform is the answer if you need real flexibility in a mount. Designed with sounders & GPS devices in mind, you can now mount on angled surfaces and have your display level. Platform size 102 x 102mm (4 x 4in).

**03-4016-11**  
Extender

## EXTENDER

StarPort extenders plug into any StarPort, and have the same star shape on top with a clever little lock. The Fixed Extender gives you 125 mm (5 in) of clearance from the StarPort - perfect for raising RAILBLAZA's Fillet Table, keeping fly rods clear of the water, and many other applications.

**03-4017-11**  
Adjustable Extender

## ADJUSTABLE EXTENDER

With two rotating joints and a knuckle joint that tilts in 15° increments, the adjustable extender adds great versatility. When coupled with one of RAILBLAZA's large range of accessories, it helps keep hold of your emergency torch, fishfinder, or any number of useful items.

## STARPORT WALL SLING

### Sling Your Yak – with RAILBLAZA!

Storage of a wide range of watercraft including SUPs, canoes, windsurfers and kayaks just got quicker and easier with the RAILBLAZA StarPort Wall Sling.

Installed in minutes and supplied with StarPorts, slings, adjustment buckles and screws the StarPort Wall Sling is great value for money. The Wall Sling will free up space in your garage, shed or yard by allowing you to hang your craft on the wall. You can hang it outside on one pair of StarPorts to wash down, and then easily transfer it to another pair of StarPorts inside to keep it warm and dry! If you want to use your sling at another location like your holiday home it's as cheap and easy as fitting two more StarPorts. Kit includes 2 Slings.
