

Here is a SNEAK PEEK at some of the tentative pricing set for the 18th Annual Defender Warehouse Sale. Prices will not be finalized until Tuesday 3/25/14 and there are some MAP priced products that prohibit us from showing the Sale price here. You may contact a Call Center Rep at 800-628-8225 for a "hint" on the proposed Sale price for the upcoming event, if the price for that item has been reviewed. With over 3000 boats & motors in stock there are some really great deals!!
