

Flat Tank Oil Changer System

NEW & IMPROVED PUMP DESIGN

The Jabsco Flat Tank Oil Changer System simplifies the engine oil changing process, ideal for changing engine oil in boats, rv's, lawn and garden equipment.

The 3.5 gallon (13 L) compact, self-contained unit is fitted with a self-priming diaphragm pump that features an easy pour spout so there is no need to worry about open containers causing spills when changing engine oils. The flat tank design allows for easy storage in deck boxes, boat storage lockers, or RV storage compartments. Overall the system is easy to use and features a clean and efficient dipstick suction tube, battery clamp wire leads, and an on-off pump switch.

Features:

- Stores easily
- Compact, robust tank design
- Easy pour spout with screw on cap
- Easy to carry handle
- 3.5 gallon (13 L) sealed container
- Self-priming, run dry pump

a xylem brand

Flat Tank Oil Changer System

- 1 3.5 Gallon (13 L) self-contained unit
