

T25 ORGANISER

For Leading Lines

Part Codes

T25/2	2 sheave
T25/2Y	2 sheave asymmetric
T25/3	3 sheave
T25/3Y	3 sheave asymmetric
T25/4	4 sheave
T25/4Y	4 sheave asymmetric
T25/5	5 sheave
T25/5Y	5 sheave asymmetric
T25/6	6 sheave
T25/6Y	6 sheave asymmetric

Features

Small boat organiser

Proven fibre-reinforced construction

Value engineered modular build achieves strength with few components, compared to T38 and T50 organisers

Stainless steel 'Wear' strip prevents local rope damage

Symmetric or asymmetric configurations with full range of sheaves

Secure stainless steel unlinked base for fitting on non flat surfaces, which simplifies deck sealing

Double stack with BE10/2 or /3 (see new BE10 multiple range) for lowest cost stacked line solution

Model	Sheave Dia/ Type	SWL per sheave	Total SWL per unit	Line Dia	Fastener
T25	25mm (1") composite	400kg (880lbs)	No of sheaves x 200kg (440lbs)	10mm (3/8")	M5 CSK (3/16")

BE10

MULTIPLE ORGANISER

Part Codes

BE10/2	Double 10mm bullseye
BE10/3	Triple 10mm bullseye

Features

Versatile new solution for low loaded lines, either fitted alone or double stacking onto new T25 organisers

Successful BE stainless eye construction

Grouped format minimises the deck space for multiple lines

Shape deflects easily to fit concave or convex surfaces

Base detailed for self-sealing gasket or wet silicone deck sealing

BE10/2's and 3's stack anywhere on the T25 organiser providing a very neat new rope management solution
