

## SHADEFIN<sup>®</sup> MINI ROD HOLDER MOUNT

Designed for standard rod holders, the ShadeFin Mini Rod Holder Mount is a simply solution for added boat shade onboard. Simply insert the mount to the bottom edge of the post, tighten until snug and attach ShadeFin Mini. The ShadeFin Mini Rod Holder Mount can safely remain in the rod holder when not in use, or easily removed by loosening and stowing.

### FEATURES & BENEFITS

- Fits standard rod holders with an inside diameter of 1.75" or greater
- Constructed out of aluminum grade-6061 alloys
- Includes stainless steel Type-304 threaded rod with an injection-molded nylon cap
