

Dometic® Portable Marine Toilets

Convenience of home anywhere you travel

SaniPottie® 970 Series Portable Toilets

Powerful flushing at the touch of a button – without constant pumping or batteries – sets the 970 series portable toilets apart from the rest. Contemporary styling complements today's boat designs. Available in tan or gray colors.

Key Benefits

- Push-button flush clears bowl instantly
- 2.6-gal. (9.8 l) or 5.0-gal. (18.9 l) waste tank capacity
- 2.3-gal. (8.7 l) freshwater tank (all models)
- High-strength ABS construction withstands marine environment; smooth, easy-to-clean finish
- Prismatic tank level indicator allows easy tank level monitoring
- Full-size seat for comfort; latching lid for security
- Models with mounting brackets and MSD fittings available for permanent installation

Dimensions

Easy to use and empty

1. Pressurize water tank (every 4-5 flushes*).
2. Pull handle to flush into lower tank.

* Depending on amount of water used per flush.

3. Push button to rinse bowl (or add water before use).
4. Extra-long spout and tank vent make emptying easy.
